### **DETAILED ACTION**

1. Receipt is acknowledged of amendments filed on 3/14/2007.
2. Claims 1, 3-8, and 10-17 are presented for examination.

#### ***Priority***

3. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

#### ***Allowable Subject Matter***

4. Claims 1, 3-8, and 10-17 are allowed.
5. The following is an examiner's statement of reasons for allowance: the prior art of record taken alone or in combination with any other references, fails to specifically teach that the adhesion between the seal and the paper core is stronger than the cohesion within the paper core and/or stronger than the adhesion between layers of the paper core. These limitations in conjunction with other limitations in the claimed invention were not shown by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

#### ***Conclusion***

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
